ABOUT ME

As a passionate prospective web developer, I am motivated by my desire to develop essential and user-friendly digital experiences. With a strong background in programming languages such as HTML, CSS, and JavaScript, I am dedicated to improving my ability to create aesthetically attractive and responsive websites. I thrive in collaborative workplaces and am always looking for new ways to learn and contribute to exciting projects. My goal is to bring unique ideas to life on the web by combining creativity and technological understanding.

EDUCATION

Occidental Mindoro State College
Bachelor of Science in
Information Technology

2017 - 2021
Graduate

CERTIFICATION

Full Stack Web Developer

KodeGo
April 1 - July 31, 2023
